RANGER STOOL COLLECTION - 15 COLOURED STAIN FINISHES

RANGER, designed by Luke Mills for LifeSpaceJourney, is a collection of stackable timber stools and bar stools. Available in both dining and bar height, the RANGER has the ability to stack both heights together making set up and pack up very easy! Smart design that is locally designed and made.

RANGER is available in a wide variety of beautifully rich organic pigments: 15 coloured stain finishes. Custom colours available upon request.
