

cove

Hand formed from mocha coloured clay with either a black or white ellipse, the Cove pendant is both delightfully engaging and simply lovely. They look great just on their own, or amazing hanging in a cluster.

The ellipse is hand painted with lead free glaze and the clay seal with 100% natural exterior rated sealer. Cove lights are suitable for both indoors or in outside alfresco areas.

body material	hand formed mocha coloured clay with matt glazed eclipse and natural, non-toxic clay sealer
